OFFICE OF THE MINISTER FOR AGRICULTURE No. P.802 19 FEB 1957 BANGALORE

To

The Minister for Agriculture and Forests
in Mysore, Bangalore.

Respected sir,

Subject:- Representation of 68 Harijans of Kanakapura Taluk praying for grant of dry lands under Colonisation Scheme out of Gullahatti Kaval State forest, Kanakapura Taluk

=====

Secy A+F for a report HSR 18/2

In continuation of our last representation submitted by about the middle of December 1956, I, on behalf of the petitioners, beg to submit the following for and on behalf of the above 68 applicants and their families for favour of your sympathetic consideration and early orders thereon.

The petitioners are all landless and even homeless Harijans of Kanakapura Taluk living mainly by agricultural labour. Your Honour knows that cooly in village parts is restricted in certain seasons in the year and the rest of year we have to wander from place to place for means of livelihood for ourselves and our growing families. Inspite of hard labour we are unable to eke out half-bread for the day. In certain seasons, we are forced to starve, Under these forced circumstances, we are approaching the Government of Mysore for grant of lands for cultivation in view of our miserable plight in these hard days. From several years our prayers are pending unsettled.

Rly 21/2/57

These are forest papers with subject by 21/2

In view of the land-hungry of such landless people of the taluk mainly like us, the Deputy Commissioner of Bangalore District has kindly recommended for the release of 800 acres of dry lands out of the Gullahatti Kaval State Forest, Kanakapura

Taluk for cultivation. Accordingly we approached your good self for kind consideration in releasing the land in the said area of the Forest for cultivation under Colonisation Scheme. In this connection I beg to bring to your kind notice that our records are pending in your office. I therefore humbly pray for ~~for~~ and on behalf of the 68 Harijans and their families, that you would be so kind enough to take immediate action and grant the lands prayed for and oblige these poor during your worthy regime.

For which act of your kindness and timely support, I shall ever remain grateful to you and to the Government of Mysore.

Yours faithfully

A.S. Anantharaman

MINISTER FOR ... No. 8452 27 DEC 1955 BANGALORE

To

The Honourable Minister for

Forests, Government of

Mysore, Bangalore.

Subject:- Representation of 68 landless and homeless Harijans of Kanakapura Taluk praying for grant of lands in Gullahatti Kaval State Forest Kanakapura Taluk for cultivation under Colonisation Scheme.

Sir,

We, the undersigned beg to state as follows:-

We are landless and some of us are even homeless Harijans of Kanakapura Taluk. We are all agricultural labourers living in several villages. We have no other means of living in villages other than cooly. Even this cooly is restricted in certain seasons. In the rest of the year we have to wander from place to place in search of our livelihood.

It is very hard to maintain our big families out of our scanty earnings by means of cooly in these hard days. We are

P.T.O.

are always half-starved but our families are growing day by day.

To eke out of livelihood through Agriculture which is our born profession, we approached the Revenue authorities for grant of lands for cultivation. From several years our requests are not heeded to as no revenue land is available in the Taluk. Under the forced circumstances of our poverty stricken conditions, we approaching your goodself to be generous enough to consider our miserable plight and grant lands in Gullahatti Kaval State Forest for cultivation under Colonisation Scheme and oblige these helpless in preference to the people of other Taluks and other communities.

For which act of your kindness and timely support, we shall ever remain grateful to you and to the Government of Mysore.

G.O.No.507-10-Ft.13-51-2 dated 17-4-51 ordering the disafforestation of an extent of 120 acres of land in Gullahatti Kaval State Forest for being placed at the disposal of the Revenue Department for distribution to Sri. Malliah and other Adikarnataka applicants (60 in number) at two seers each.

2. Correspondence ending with letter No.M2-29-261/52 dated 10-4-53 from the Chief Conservator of Forests forwarding a report on the petition of Sri. Malliah and others for grant of additional areas in Gullahatti State Forest.

Order No.A.F.4192-96/Ft.11-53-6,

Dated, Bangalore, 14-7-53.

Sixty Harijan families who have been granted two acres of land each in Gullahatti Kaval State Forest in accordance with the Government order dated 17-4-51 read above have been repeatedly urging for release of a further extent of 130 acres and for grant of the same to them at two acres each and for reservation of the remaining extent of ten acres for house building purposes. It is seen from the records that they have settled down in the Kaval by forming a colony of their own and have laboured hard to render the land fit for cultivation. It has been represented that they are finding it difficult to maintain themselves with the small extent of land which they now possess. Government are therefore, inclined to view their request with sympathy and are accordingly pleased to direct that a further extent of 130 acres of the forest fit for cultivation contiguous to the area already released, be released for being granted to the settlers at two acres each, the remaining extent of ten acres being reserved for Gramatana.

The Chief Conservator of Forests and the Deputy Commissioner, Bangalore District are requested to take further action immediately under intimation to Government.

A.F. 507-10/Ft. 519-51 ID-28-3-51 at 2 acres each, and again they were granted further extent of 130 acres of land from the said Forest viae Government order No, A.F. 4192-96/Ft. 11-53-6 dated 14th July 1953 keeping aside our prayer.

4. The remaining extent of land Gullahatti State Forest at present is about 4450 acres and the total extent released so far is 290 acres only;, as regards the standing growth on the land, there is no malki and of use for further improvement of the Forest.

5. The petitioners may be permitted to state that on the ground that the percentage of Forests is less than the required minimum, our petitions have been rejected. This in our humble opinion, is not based on sound formula. The Policy can only be followed when plantations can be improved and not in place where we cannot expect any improvement at all of such plantations. The land prayed for is devoid of any improvement and there are no cultivable tress at all,

6. The generous grant of land out of this forest will improve the economic lot of 200 harijana families and they will be grateful for this benevolent act.

7. From time to time, the Revenue Authorities have built up the recores in favour of releasing the lands for cultivation but the forest department are not favourable to such recommendations. The copy of the order passed by the Deputy Commissioner in his No. D.Dis M2 Dar. 65/54-55 dated 3-3-3955 is herewith enclosed.

Wherefore the petitioners pray most humbly

that the benign Government may be pleased to grant at least 800 acres of land to at four acres to each of the petitioners out of the Gullahatti State Forest for the formation of a model Harijan colony.

To

The Secretary to Government,
Agriculture & Forest Department,
Bangalore.

Sir,

Subject: Disforestment of 800 acres of land in Gullahatti State Forest, Kanakapura Tk. to Sri B.C. Mallaiah and others.

Adverting to the Government Order No. AFD-4-DST-57 dated 8th May 1959 on the above subject, I enclose a copy of letter No. R.360 dated 8-6-1959 from the District Forest Officer, Bangalore for perusal.

It is presumed that the State forest is Gullahatti Kaval S.F. This may kindly be clarified. Regarding para 2 of District Forest Officer's report, I am instructing the District Forest Officer, to send up disreservation proposals for the 800 acres adjacent to the area already released and where the growth is sparce.

Yours faithfully,

(K. RADHAKRISHNA),

Ref:- BB.Gl. 1050/59 dated 26-5-1959.

With reference to the above, I wish to point out that there is a no state forest by name Margullahallik in Anekal Range. Probably this may be Gullahatti kaval state forest.

Further no sketch or the boundary discription is given with the Government Order AFD-4-DSF-57 dated 8th May 1959. This is quite necessary to avoid future complications with respects to the location of the land.

I request you to kindly get the necessary corrections made and the details supplied early.
